### ...WE NEED YOU!

Reminder: Before volunteering on the Habitat worksite, we ask that individuals attend a new volunteer orientation session. New volunteer orientations are held the first Wednesday of the month at 6:30 pm and the third Saturday at 9 am at the Habitat office. Prefer to do an orientation at your house of worship? If you have a group of ten or more interested individuals, contact Lindsay Berry, volunteer coordinator, at the Habitat office at 413-586-5430 to set up a time for her to visit.

To date, we have received written commitments from 7 faith organizations pledging a total of \$14,000 and close to 500 volunteer hours. That puts us almost halfway to the goal on both fronts! Including funds from the kickoff concert in June, we have received \$6,387.
