2. After you have been registered, you can sign back in to your VolunteerUP account to view all available volunteer shifts and sign up. **Note that all individual volunteers are expected to attend a new volunteer orientation prior to signing up for construction shifts.**
  1. Click the volunteer day you want to sign up for. You will see “shifts” listed for different volunteer roles and how many spots remain available for that date and time. You can also see attendance instructions and set reminders for yourself.
  2. Click “SignUp” to register for that build day.
  3. Call our office at (413) 586-5430 or email [volunteer@pvhabitat.org](mailto:volunteer@pvhabitat.org) with any questions.

**Note:** PVHH may schedule opt-in “vaccinated only” work days on the construction sites at the request of volunteers. No more than 1 or 2 work days per job site will be designated as “vaccinated only” per week. This is to accommodate volunteers who prefer to work with other vaccinated volunteers only. This will be administered as an “honor system”, with participating volunteers representing that they are up-to-date on Covid vaccinations, as defined by the CDC from time-to-time.

Not sure what to expect on site? Check out our [Volunteering FAQ](#) and learn more about [roles on the Habitat job site](#). Be sure to also visit [www.pvhabitat.org/ways-to-volunteer](http://www.pvhabitat.org/ways-to-volunteer) to learn about other ways to get involved beyond the construction site!
